St. John's Episcopal Church
Walter E. Brown, Chairman
Restoration Committee
P.O. Box 725
Christiansted, VI 00821-0725

Dear Chairman Brown:

I am writing to convey my ardent support of the restoration of Saint John's Episcopal Church, the majestic landmark that has stood as a beacon for historic Christiansted for over 250 years. Built with a supreme love of God, Saint John's Episcopal Church has been an important part of the spiritual community in St. Croix and has remained a cherished, unwavering symbol of faith and hope for generations throughout the ages.

My grandmother, Elena Christian, and my father, were both pillars in the church, so it was indeed special for me to share in the 250th anniversary celebration and also pledge to help make this restoration a reality. Saint John's Episcopal Church represents the everlasting bonds of community and it will continue to inspire those who gather within its walls to seek God with their whole heart and every part of their being.

It is with great pleasure that I once again offer my support of the restoration and efforts to further protect a beloved treasure that has inspired so many in the Virgin Islands. May God continue to bestow his richest blessings upon Saint John's Episcopal Church, its dedicated leadership and faithful congregation.

Sincerely,

Donna M. Christensen
Member of Congress
